PREAMBLE

THIS AGREEMENT is entered into this October 1, 2007, by and between the SHERIFF OF BROWARD COUNTY, FLORIDA, located within the County of Broward, State of Florida (hereinafter referred to as “sheriff” or “BSO”), and the BROWARD COUNTY POLICE BENEVOLENT ASSOCIATION, INC. (hereinafter referred to as the “PBA” or the “Association”), as the sole and exclusive bargaining representative of the employees within the certified bargaining unit.

WITNESSETH

WHEREAS, the PBA has been determined to be the certified bargaining representative of the employees within the certified unit by the Public Employees Relations Commission based upon the Special Act of the Florida Legislature, House Bill 93-865, which inter alia, provides for rights of collective bargaining for specified deputy sheriffs employed by the Sheriff of Broward County;

WHEREAS, the Sheriff’s obligation to bargain and to enter into this Agreement, which in any way alters the Sheriff’s rights under the Florida Constitution or at common law, is solely based upon the Special Act referred to hereinabove;

WHEREAS, the Sheriff and the PBA have negotiated in good faith, with the PBA acting as the exclusive agent for personnel included in the certified bargaining unit with respect to wages, hours, and terms and conditions of employment; and

WHEREAS, the parties, following extended and deliberate negotiations, and having had an opportunity to freely discuss any and all issues, have reached certain understandings which they desire to confirm in this Agreement.

IN CONSIDERATION of the following mutual covenants, it is hereby agreed as follows:
ARTICLE 1

RECOGNITION

The Sheriff recognizes the PBA as the sole and exclusive bargaining agent for the bargaining unit of employees as certified by the Public Employees Relations Commission, Certification #93-13, with respect to the working conditions, rates of pay and other conditions of employment for those employees of the Sheriff working within the certified unit, to-wit;

INCLUDED:

All regular, full-time sworn law enforcement officers employed by the Broward County Sheriff’s Office in the position of Deputy Sheriff with a rank of Sergeant and below, herein referred to as bargaining unit member(s).

EXCLUDED:

All other employees of the Broward County Sheriff’s Office including all other sworn law enforcement personnel and employees who are managerial, confidential, temporary, reserves, part-time and probationary as provided for in Chapter 93-370, Laws of Florida.
ARTICLE 2
NON-DISCRIMINATION

2.1: No employee covered by this Agreement will be discriminated against by the Sheriff because of membership in the PBA, or authorized activity as required in this Agreement on behalf of the PBA.

2.2: The PBA will not discriminate against employees covered by this Agreement on the basis of their refusal to become a PBA member.

2.3: Both the Sheriff and the PBA oppose discrimination on the basis of age, race, creed, color, national origin, sex, handicap/disability, marital status or religion. However, the parties also recognize that the Sheriff has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.
ARTICLE 3

MANAGEMENT RIGHTS

The PBA recognizes the rights of the Sheriff to operate, manage, and direct all affairs of his office, including the exclusive right, subject to the terms of this Agreement, which arises solely from the Special Act of the Florida Legislature, House Bill 93-865:

A. To manage and direct all employees of the Sheriff’s Office.
B. To hire, rehire, reinstate, promote, transfer, schedule, assign and retain employees in position with the Sheriff’s Office.
C. To suspend, demote, discharge, layoff, or take other disciplinary action against employees for just cause.
D. To maintain the efficiency of the operation of the Sheriff’s Office.
E. To determine the structure and organization of the Sheriff’s Office, including the right to supervise, subcontract, expand, consolidate or merge any division thereof.
F. To determine the number of all employees who shall be employed by the Sheriff, the job makeup, activities, assignments, and the number of hours and shifts to be worked per week, including starting and quitting times of all employees.
G. To determine the number, types, and grades of positions or employees assigned to an organizational unit, department or project, and the right to alter, combine, reduce, expand, or cease any position.
H. To determine internal security practices.
I. The exercise of the above-defined rights by the Sheriff shall not preclude employees or the PBA from raising grievances should decisions on the above matters have the practical consequences of violating the terms of this Agreement and/or affecting any other existing conditions of employment.
J. The PBA acknowledges that BSO may make amendments, revisions, additions, deletions and/or changes to the Sheriff’s Policy and Procedures Manual. Any changes to the Manual shall be provided to the PBA ten (10) days prior to issuance (when practicable) of such changes. The right to impact bargaining over any such change shall be waived unless the PBA requests impact bargaining in writing within thirty (30) days of implementation.
ARTICLE 4

WORK RULES AND REGULATIONS

4.1: It is recognized that the Sheriff currently has work rules, regulations, policies and procedures governing employment. The parties agree that the Sheriff has the sole and exclusive discretion to formulate, amend, revise and implement such rules, regulations, policies and procedures.

4.2: In the event that any rule, regulation, policy or procedure conflicts with this Agreement, the language in this Agreement shall control.
ARTICLE 5

NO STRIKE OR WORK STOPPAGE

The PBA, its officers, agents, representatives, and its bargaining unit members and employees agree that they will not strike, as defined by the Public Employees Relations Act, and agree not to participate in a strike against the Sheriff by instigating or supporting a strike, nor shall the bargaining unit member participate in a work stoppage, slow-down, sick out, job actions or picketing in furtherance, of any of the above-prohibited activities. Notwithstanding the above, there shall be no picketing whatsoever in uniform by any bargaining unit member covered by this Agreement. The parties agree that any bargaining unit member who participates in or promotes any of the aforesaid activities may be discharged or otherwise disciplined by the Sheriff.
ARTICLE 6

STAFFING

The Sheriff has sole and exclusive discretion to determine appropriate staffing levels for the agency and to change staffing as he, in his sole discretion, deems appropriate.
ARTICLE 7

SENIORITY

7.1: Seniority, as used herein, is defined as the right accruing to bargaining unit members through continuous time in grade and classification, while employed by either BSO or a contract city, which entitles them to certain considerations and preferences as provided for in this Agreement with the exception of approved leaves of absences as provided in the Sheriff’s Policy and Procedures Manual.

a. Deputies - If two (2) or more bargaining unit members have the same classification date, for the purpose of breaking the tie, seniority will be determined by the bargaining unit members “CCN” number. The lowest number constitutes the senior bargaining unit member.

b. Sergeants – If two (2) or more Bargaining Unit Members are promoted to Sergeant on the same date, for purpose of breaking the tie seniority will be determined by the length of time the member was employed as a deputy and/or contract City Law Enforcement Officer. The more time employed as a deputy and/or contract City Law Enforcement Officer would have more seniority. If both sergeants were promoted on the same date and were deputies and/or contract City Law Enforcement Officers for the same period of time, the lowest CCN number constitutes the senior member.

7.2: Seniority shall be one of the factors to be considered (along with other factors), in the sole discretion of the Sheriff, when any bidding is conducted consistent with this Agreement to determine shift assignments and days off within the respective work units. A bargaining unit member shall not be denied shift assignment or days off based on seniority for more than two (2) bids during the period covered by this Agreement. (i.e., the bid process takes place every six (6) months. If a bargaining unit member is denied his/her request on the first bid, he/she will not be denied his/her request the next bid. During the length of this agreement a bargaining unit member may be denied his/her bid selection a maximum of two (2) times). Denial of bids shall not be used as a disciplinary measure. Bargaining unit members can appeal directly to the Sheriff or his designee, the issue of whether the denial of a bid was used as a disciplinary measure. The Sheriff or his designee’s decision shall be final and not subject to further appeal.

a. Shift and day off selection will be held twice a year. The first selection will be completed by the second pay period in January. The second selection will be completed by the second pay period in July. The effective selections will go into effect the first of the month following the selection process.
7.3: Seniority shall be one of the factors to be considered (along with others factors), in the sole discretion of the Sheriff, when bargaining unit member(s) request annual leave and holidays off, when conditions in a classification within the assigned work unit permit.

a. Annual leave and holiday selection will be held once a year. The selection process will take place the first week of February. Selections will be for the time frame of 3/1 – 2/28. The Sheriff or his designee will determine the amount of available vacation slots. Each bargaining unit member will have a reasonable time to select his/her vacation slot (up to four (4) consecutive weeks) by seniority. Each bargaining unit member will be allowed to select his/her first pick and once all members have selected his/her first pick then a bargaining unit member will (by seniority) select his/her second pick. If a bargaining unit member voluntarily changes his/her shift, BSO has the right to disapprove the bargaining unit member’s vacation pick. If a bargaining unit member’s shift is changed involuntary then the original vacation selection will be adhered to.

7.4: All other annual leave requests (individual requests) shall be approved/disapproved within five (5) calendar days of the request. Such requests must be made within thirty (30) days prior to the requested time off. Once the request is approved BSO may not disapprove unless an emergency or critical situation exists, as determined by the Sheriff or his designee.

7.5: Seniority in specialized units: Members assigned to a specialized unit will have shift and days off assigned by unit seniority, which shall be based upon continuous time within that unit unless operational needs of the unit dictate otherwise as determine by District Chief/Division Commander.
ARTICLE 8

BULLETIN BOARDS

8.1: The Sheriff agrees to permit reasonable use of all departmental bulletin boards located within the Sheriff’s office by the PBA to be used for official Bargaining Unit notices only.

8.2: The PBA may provide written requests to the Sheriff to place its bulletin boards, at the sole expense of the PBA, at each one of the District Offices and the Ron Cochran Public Safety Building.

8.3: The Sheriff, in his sole discretion, shall determine the size, and location and type of the bulletin boards which may be provided by the PBA. The PBA agrees that it may only use and/or post one bulletin board at a District and that those bulletin boards shall not be locked or enclosed.
ARTICLE 9

PBA REPRESENTATIVES/UNION BUSINESS

9.1: The Sheriff recognizes the right of the PBA to designate PBA representatives as it deems appropriate, with the understanding that representatives will be appointed based on location and shift not to exceed more than ten (10) representatives per shift and not more than one (1) representative from any one (1) District and/or from any one (1) specialty unit. The PBA shall provide BSO command with a list of its designated representatives (and any alternates) and shall update such list as changes are made. Only those representatives (or alternates) so designated shall be authorized to use utilize the PBA time pool bank pursuant to the provisions set forth below.

9.2: The Sheriff agrees to establish a PBA time pool bank of up to one thousand (1,000) hours per fiscal year to be used in accordance with the provisions as set forth in this Article. Unused hours will not be carried over to the following year.

9.3: For each bargaining unit member who is authorized to use time from the time pool bank, the bargaining unit member shall fill out the appropriate form as provided by BSO. This form shall be processed through the command of the bargaining unit member who is to use the time pool bank. Command personnel shall determine if the bargaining unit member’s absence will create a staffing shortage and will have the option to approve or disapprove this request.

9.4: PBA members may donate additional time to the PBA time pool bank of up to one thousand (1,000) hours per year. Such time shall be utilized by PBA representatives, if necessary, for union business as set forth in the following section. Donated bargaining unit members’ time can be carried over to the following year.

9.5: Hours from the PBA time pool bank may be utilized by designated PBA representatives when they are required to represent bargaining unit members as part of grievance procedures, when they attend monthly PBA Board of Directors meetings, negotiation sessions and meetings and other mutually agreed meetings, subject to available manpower and staffing needs. Except for negotiation sessions, the parties agree to limit the number of bargaining unit members attending such functions to no more than five (5) per shift. The parties agree that the number of bargaining unit members attending official negotiation sessions while on duty will be restricted to no more than ten (10) representatives in an on-duty status and no more than one (1) representative from any one (1) District and/or specialty unit. Bargaining unit members attending such functions will submit a pool time form to the Sheriff or his designee a minimum of seventy-two (72) hours prior to the time the employee is requesting to use the time pool bank. It is understood that on rare occasions the seventy-two (72) hour time limit may not be met. Failure to file a
completed pool time usage form seventy-two (72) hours prior to the bargaining unit members request for use of pool time may result in the bargaining unit member not being paid for the time requested.

9.6: The PBA time pool bank will be used on an hour for hour basis, regardless of the hourly rate of the bargaining unit member using time from the bank. In reporting a bargaining unit member’s absence as a result of utilizing the time pool bank, the daily attendance record shall reflect: “Deputy John Doe on PBA” (PBA Time Pool bank)

9.7: All applicable rules, regulations, and orders of the BSO Policy and Procedures Manual shall apply to any bargaining unit member on time pool release. Violations of the above-mentioned rules, regulations and orders shall subject the bargaining unit member on pool time to the regular disciplinary process currently provided for by the Broward Sheriff’s Office.
ARTICLE 10

COMMUNICATIONS POLICY

10.1: The PBA President, or in his absence another member of the PBA, will be placed on the contact list maintained by BSO’s Communications Division and will be notified in any situation in which a bargaining unit member is seriously injured, involved in a discharge of his/her firearm, or any other type of incident which also requires the dispatching of the Internal Affairs Division as the result of a bargaining unit member’s action, or when the Sheriff or his designee requests that the PBA be contacted.

10.2: Other than those situations in which the response of the PBA is specifically requested by the Sheriff, it shall be within the discretion of the PBA as to whether an actual physical response is necessary.

10.3: In those cases in which a bargaining unit member requests a PBA representative to respond or to be contacted and the affected party is unable to make such notification, the Communications Division, upon request, will attempt such contact.

10.4: The PBA will provide BSO with the necessary information to facilitate compliance with this Article.
ARTICLE 11

UNION DEDUCTIONS

Union deductions shall be made in accordance with forms provided by the PBA and executed and authorized by the bargaining unit member authorizing said deductions. There shall be no charge made by the Sheriff for these deductions. The exact amount of monies to be deducted for each bargaining unit member shall be provided by the PBA to the Sheriff. Any changes in the amounts to be deducted shall be given to the Sheriff thirty (30) days in advance. These monies shall be transmitted to the PBA on a biweekly basis after the deductions are taken from biweekly payroll.

The PBA shall indemnify the Sheriff and hold the Sheriff harmless against any and all suits, claims, demands, and liabilities, which arise out of or by reason of any action taken by the Sheriff to comply or attempt to comply with the provisions of this Article.

This assignment, authorization and direction shall be revocable at any time upon thirty (30) days written notification by the bargaining unit member, to the Sheriff and the PBA.
ARTICLE 12

BASIC WORKWEEK AND OVERTIME

12.1: The basic workweek for all bargaining unit members covered by this Agreement shall consist of forty (40) hours per week, starting at 12:01 a.m. Saturday and ending at 12:00 midnight Friday, unless otherwise specified or scheduled by the Sheriff or his designee, and as further defined herein.

12.2: Bargaining unit members are not entitled to a fifteen (15) minute break. In lieu of the fifteen (15) minute break, bargaining unit members will not attend briefing fifteen (15) minutes prior to their normal shift. Briefing will be conducted during the course of normal work hours. Bargaining unit members are entitled to one thirty (30) minute meal break per eight (8) hour shift to be taken at the discretion of their immediate supervisor.

It is agreed by the parties that meal breaks will not represent compensable time. Nonetheless, bargaining unit members shall continue to receive pay for forty (40) hours of work per regularly scheduled workweek.

Such meal break time will commence for bargaining unit employees when they advise “10-40” prior to entering the location of the meal break. Bargaining unit members assigned radios will remain in communication at all times during their meal break. Bargaining unit members can be recalled from authorized meal breaks without incurring any added compensable time, unless a unit member accrues actual work time in excess of forty (40) hours for their regularly scheduled workweek.

Bargaining unit members will call out for their meal break and log it on their Daily Activity Sheets. Bargaining unit members will not take a meal break during the first or last hour of their assigned shift unless authorized by a supervisor.

12.3: All authorized and approved work performed in excess of forty (40) hours in any one workweek shall be considered as overtime and shall be paid (unless the bargaining unit member at his option requests compensatory time off) at the overtime rate of one and one-half times the bargaining unit member’s straight time rate of pay.

However, hours worked pursuant to an assignment under Article 27.2 of this Agreement shall not be combined with the hours worked during the basic workweek in the bargaining unit member’s regular capacity for the purpose of determining overtime.

12.4: Compensatory time is time earned at one and one half times the overtime hours worked by a bargaining unit member. The choice of compensatory time off or
overtime pay shall be at the bargaining unit member’s option. Accrued unused compensatory time off may not exceed eighty (80) hours, except when in the best interest of Broward Sheriff’s Office and when approved by the Sheriff or his designee. Upon separation from the Broward Sheriff’s Office, the bargaining unit member shall be paid for all approved accrued, unused compensatory time at the bargaining unit member’s then existing rate. Once the eighty (80) hours compensatory time maximum accrual has been reached, bargaining unit members required to work in excess of forty (40) hours in a designated workweek shall be paid overtime at the rate of one and one-half times their straight time rate of pay.

12.5: For the purpose of overtime computation, holidays, vacation leave or any paid leave of absence shall be considered as time worked. Sick time taken during the workweek shall not be considered as time worked for the purpose of overtime computation.

12.6: Bargaining unit members may be required to work overtime as scheduled and, in some instances, unscheduled. To the extent reasonable and appropriate, under the circumstances as determined by the Sheriff or his designee, overtime will be distributed equitably among bargaining unit members in their particular job classification, in their organizational units, as far as the character of the work permits. The Sheriff’s Office will maintain overtime records and will make such information available upon request.

12.7 The parties agree that a committee made up of five (5) bargaining unit members and representatives from BSO will be created for the purpose of studying the establishment of a new work schedule. Any new work schedules will need approval of the Sheriff and will be implemented on a trial basis in an agreed upon work location(s).
ARTICLE 13

LAYOFF / RECALL

The Sheriff retains the exclusive right to determine the need for personnel reduction.

13.1: In the event of personnel reduction, bargaining unit members shall be laid off in the inverse order of their seniority in their classification; provided, however, that where two (2) or more bargaining unit members have seniority standing within thirty (30) days of each other, the Sheriff shall determine the order of layoff based on education and performance. Upon reverting to a lower classification, a bargaining unit member’s seniority shall be determined by the date of his/her original permanent appointment to that classification. All probationary bargaining unit members shall be laid off before any permanent bargaining unit member is laid off.

13.2: Bargaining unit members shall be recalled from layoff in accordance with their seniority in the classification from which they were laid off. No new bargaining unit member shall be hired in any classification until all non-probationary bargaining unit members on layoff status in that classification have had an opportunity to return to work. The Sheriff reserves the right in his sole discretion to require said recalled bargaining unit members to submit to any such existing entry level test(s), (e.g. physical, psychological, polygraph, toxicology testing), in order to determine that they are physically and mentally capable of performing the work available at the time of recall. Further, all such recalled bargaining unit members must meet all of the established standards set by the Sheriff in effect at the time of the recall. No laid off bargaining unit member shall retain recall rights beyond eighteen (18) months from the date of layoff.

13.3: The Sheriff may deviate from the above-described procedure in order to maintain (or recall) personnel deemed necessary by the Sheriff and/or as necessary to comply with federal or state court orders, decrees, judgments, statutes, regulations, public safety purposes and/or requirements.
ARTICLE 14

LEAVE OF ABSENCE WITHOUT PAY

A bargaining unit member may be granted a leave of absence without pay with the prior approval of the Sheriff as provided for in the Family and Medical Leave Act (FMLA) and in accordance with the Sheriff’s policies.
ARTICLE 15

All damaged leather/nylon goods shall be returned to the BSO prior to giving the bargaining unit member a replacement.

b. The decision of said arbitrator shall be final and binding upon both parties. The arbitrator shall not be empowered to alter, amend, add to, or eliminate any provisions of this Collective Bargaining Agreement. Bargaining unit member(s) or the PBA having selected the procedure contained herein to process a grievance shall be estopped from and waive the right to use any other available procedure for processing grievances or claims.
33.10: The time limits provided in this Article shall be strictly observed, and may be extended only by written agreement of the parties. On a case by case basis, the parties may mutually agree to bypass any step or steps in the grievance procedure.
34.1: BSO and the PBA have negotiated a Drug and Alcohol Free Workplace Policy and Work Rules (hereinafter, the “Policy”) pursuant to the provisions of the Florida Drug-Free Workplace Program, as provided in Section 440.102, Florida Statutes (1997), and other applicable law. The Policy is incorporated herein and made a part of this Agreement. BSO's Policy prohibits illegal use of drugs and alcohol abuse, which might affect bargaining unit members in the performance of their duties. This policy gives BSO the right to test bargaining unit members under certain circumstances and also provides grounds for disciplining bargaining unit members who fail to comply with the Policy. All bargaining unit members must comply with the requirements of the Policy, and will be subject to appropriate disciplinary action, up to and including discharge, in the event of non-compliance with the Policy.

34.2: A copy of the Policy will be distributed to all current bargaining unit members and will be given to all newly hired bargaining unit members.

34.3: In the event that legislation and/or administrative regulations are enacted which amend, supplement or alter in any way the requirements set forth in the Florida Drug-Free Workplace Program, or which may enable BSO to reduce the cost or limit the increase in the cost of health, life, liability or workers compensation insurance premiums, BSO may change the Policy to comply with such legislation and/or administrative regulations. BSO will inform the PBA in writing prior to implementing any such change(s) in the Policy.
ARTICLE 35

CARE AND MAINTENANCE OF CANINES

35.1: Bargaining unit members who are canine handlers are responsible for the care and maintenance of the dog assigned to them. The care and maintenance of the assigned dog shall be reasonable as determined by appropriate supervisors. Canine handlers shall be required to prepare and submit a written Weekly Canine Care Report to the appropriate supervisor, which sets forth the date, time and task(s) performed with the assigned dog, however, the canine handler will not receive any compensation for the day of the week during which the assigned dog is boarded in a kennel/facility paid for by BSO.

35.2: At the sole discretion of the Sheriff, care and maintenance of each dog may be required to be performed during times other than the canine handler’s scheduled hours. The parties agree that a canine handler will reasonably spend no more than one hour per day (seven days per week) in the care and maintenance of the assigned dog. It, therefore, is further agreed that the canine handler will receive one hour’s pay at the rate of eight dollars ($8.00) per hour at time and one half for each day of the week for such care and maintenance.
ARTICLE 36

INSURANCE

36.1: **Health Insurance**

Health insurance will be provided to bargaining unit members pursuant to the terms announced in the published rate and benefits schedule as described in Appendix “A”. For subsequent calendar years covered by this Agreement, BSO agrees to provide similar health insurance benefits with no increases in the amounts of employee contributions towards premiums or deductibles from Appendix “A”. Bargaining unit members covered by a BSO Health Plan will receive a Vision Plan at no cost to the bargaining unit member.

36.2: **Dental Insurance**

a. Dental insurance will be provided to the Bargaining Unit Members pursuant to the terms announced in the published rates and benefits schedule as described in Appendix “A”. Should BSO offer another dental insurance program to other bargaining units or change benefits programs, then said benefits shall be provided to the Bargaining Unit Members covered by this agreement under the same terms and conditions of other employees.

36.3: **Life Insurance**

a. Life insurance coverage for bargaining unit members will be provided in an amount equal to one year base salary, and the cost shall be paid by BSO for the term of this agreement.

b. Each bargaining unit member who qualifies for retirement under the Florida Retirement System (FRS) or from a contract city pension plan, is eligible to continue a $24,000.00 life insurance policy under the group rates at the retiree’s expense.

36.4: **Disability Insurance**

a. Disability insurance will be provided for any member who is disabled on or off the job.

b. BSO agrees to pay seventy percent (70%) of the premium for any member of the bargaining unit who elects to participate in the disability coverage.

At least 60% of the bargaining unit members must elect to participate in this benefit in order for the Sheriff to provide disability insurance. If at least sixty
(60%) percent of the bargaining unit members do not participate, the Sheriff may, in his sole discretion, terminate this benefit.

36.5: **Family Health Insurance**

The Sheriff agrees to provide Family Health insurance benefits to bargaining unit members disabled due to certain on-duty injuries in accordance with the Alu-O’Hara Act (1996).

36.6: It is agreed that bargaining unit members may form an informal committee to provide recommendations regarding the medical insurance carriers and/or coverage and will meet and confer with the Director of the Bureau of Human Resources for review and consideration prior to the submissions of an RFP.
ARTICLE 37

VACATION & HOLIDAYS

37.1: During the term of this Agreement the following vacation periods shall be granted to bargaining unit members for the amount of time of continuous service with BSO as follows:

<table>
<thead>
<tr>
<th>Years of Work Completed</th>
<th>Vacation Work Days</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 year - 3 years</td>
<td>10 days</td>
</tr>
<tr>
<td>4 years - 10 years</td>
<td>15 days</td>
</tr>
<tr>
<td>11 years and above</td>
<td>21 days</td>
</tr>
</tbody>
</table>

37.2: Any bargaining unit member who has sustained an injury in the line of duty and who has vacation time previously scheduled which falls within the period of disability shall be entitled to reschedule the vacation time after return to duty. It is the intent of the parties that any previously scheduled vacation time falling within a period of disability incurred in the line of duty shall not be forfeited or otherwise expended due to the unforeseeable circumstance of the injury.

37.3: During the term of this Agreement, the Sheriff recognizes the following eleven (11) paid holidays:

- NEW YEAR’S DAY
- MARTIN LUTHER KING JR. DAY
- PRESIDENT’S DAY
- MEMORIAL DAY
- INDEPENDENCE DAY
- LABOR DAY
- VETERAN’S DAY
- THANKSGIVING DAY
- FRIDAY AFTER THANKSGIVING DAY
- CHRISTMAS DAY
- ONE (1) FLOATING HOLIDAY

(employees must be employed by January 1st to be eligible for the floating holiday.)

37.4: Bargaining unit members scheduled to work and who are directed to work a designated holiday shall be paid at the bargaining unit member’s straight time rate of pay for all hours worked on the holiday, plus either eight (8) hours holiday pay at the straight time rate of pay or, at the bargaining unit member’s option, eight (8) hours of compensatory time at the straight time rate of pay.

37.5: Bargaining unit members not scheduled to work, but who do work on a designated
holiday, shall receive the rate of one and one-half (1 1/2) times the hourly rate of the bargaining unit member’s straight time rate of pay for all hours worked on the holiday, plus eight (8) hours pay for the holiday. Compensatory time shall be computed at one and one-half (1 ½) times the hours worked.

37.6: Every effort will be made for each bargaining unit member to be scheduled off on at least one (1) of the holidays between (and including) Thanksgiving and New Year’s Day.

37.7: a) Except as otherwise stated in this article, a bargaining unit member may not accrue more than a cumulative total of three hundred twenty (320) hours of holiday and vacation time. All accrued time in excess of three hundred twenty (320) hours or a “grand-fathered” cap will be lost by the bargaining unit member if not used within the calendar year. A bargaining unit member who has made reasonable attempts to use excess accruals and has been denied said requests shall submit a written request to the Director of Human Resources via the chain of command for authorization to carry excess accruals into the next calendar year.

**EXCEPTION: GRANDFATHER CLAUSE**

a) Bargaining unit members having accrued annual and holiday leave hours in excess of three hundred twenty (320) hours as of pay date October 7, 1994 shall be entitled to a “grand-fathered” cap of their accrued time as of that date.

b) **DROP/Retirement Exception**

Those bargaining unit members who are within one (1) year of retirement/participating in the DROP may carry over up to one (1) year of annual leave and exceed the above 320 hour cap up to 500 hours of annual leave. A bargaining unit member must sign an irrevocable request, at the time of his/her decision.

**Example:**

A bargaining unit member has four hundred (400) hours of annual leave and eighty (80) hours of holiday leave on the accrual report for pay date October 7, 1994. This is over the three hundred twenty (320) cap maximum. This bargaining unit member would be grand-fathered in at four hundred eighty (480) hours. Before December 31 of each calendar year, the bargaining unit member will need to use any excess time over four hundred eighty (480) hours or forfeit the time. This “grand-fathered” cap remains effective for each successive calendar year unless the bargaining unit member uses an amount of annual and/or holiday leave so as to reduce total accrued time below the cap as of December 31 of each calendar year. This new, lower balance of accrued time
becomes the bargaining unit member’s new-grand fathered cap.

**Example:**

A bargaining unit member has a “grand-fathered” cap of four hundred eighty (480) hours, but at the end of the calendar year (December 31), the bargaining unit member’s cumulative annual and holiday leave total is four hundred (400) hours. The bargaining unit member’s new “grand-fathered” cap is four hundred (400) hours.

37.8 **Personal Day**

Bargaining unit members covered by this Agreement will be allotted, on an annual basis, effective no later than February 1st of each year, one (1) personal day to be utilized at the discretion of the bargaining unit member, with prior approval from his/her immediate supervisor. The personal day must be utilized by December 31st of each year and cannot be accumulated for any reason.
ARTICLE 38

MILITARY

38.1 The Sheriff will apply the Military Leave Policy as stated in the Sheriff’s Policy and Procedures Manual.
ARTICLE 39

SICK LEAVE

39.1 Sick Time Payout

Years of service for this section shall be determined by hire date combining all BSO time, any Contract City time, and any time on the DROP Plan.

a. Good standing, for this section, shall be determined as a bargaining unit member resigning or retiring without charges pending. If a bargaining unit member has been notified that charges are pending against him/her then said bargaining unit member must give a minimum of sixty (60) days notice of his/her resignation or retirement date. If the bargaining unit member is terminated prior to his/her resignation or retirement date, the bargaining unit member will not be considered leaving in good standing.

b. Any bargaining unit member who is within sixty (60) days of his/her DROP date and has been notified that charges are pending against him/her that, if sustained, would likely result in termination as decided at the sole discretion of the Sheriff or his designee, will not be considered leaving in good standing. If the charges are subsequently not sustained by the Professional Standards Committee (PSC), the records will be amended to reflect that the bargaining unit member left in good standing and the bargaining unit member will be entitled to his/her sick leave payout to be paid within thirty (30) days at the employee’s rate of pay at the time of separation. If the charges are subsequently sustained by the PSC, the PSC will then make a determination as to the level of discipline that would have been recommended had the employee still been employed with BSO. If the recommendation is anything less than termination, the records will be amended to reflect that the bargaining unit member left in good standing and the bargaining unit member will be entitled to his/her sick leave payout to be paid within thirty (30) days at the employee’s rate of pay at the time of separation. If the recommendation is for termination, the bargaining unit member will not be considered leaving in good standing.

Zero (0) to Ten (10) Years,

Bargaining unit members, who have less than ten (10) years of service, will not receive any sick leave compensation upon separation from the agency.

Ten (10) to Fifteen (15) Years,

Bargaining unit members leaving in good standing who have at least ten (10) years of service but less than fifteen (15) years, upon normal retirement (defined by FRS or contract city) or death, will receive, upon separation fifty (50%) percent of his/her unused accumulated sick leave up to a maximum of four hundred eighty (480) hours computed at the bargaining unit members current rate of pay.

**Fifteen (15) to Twenty (20) Years**

Bargaining unit members leaving in good standing who have at least fifteen (15) years of service but less than twenty (20) years of service, upon separation from the agency for any reason other than normal retirement (defined by FRS or contract city) or the death of the bargaining unit member will receive, upon separation twenty five (25%) percent of his /her unused accumulated sick leave up to a maximum of two hundred forty (240) hours, computed at the bargaining unit members current rate of pay.

Bargaining unit members leaving in good standing who have at least fifteen (15) years of service but less than twenty (20) years, upon normal retirement (defined by FRS or contract city) or the bargaining unit members death, will receive, upon separation sixty five (65%) percent of his/her unused accumulated sick leave up to a maximum of six hundred twenty four (624) hours, computed at the bargaining unit members current rate of pay.

**Twenty (20) Years of Service**

Bargaining unit members leaving in good standing who have at least twenty (20) years of service upon separation from the agency for reasons other than normal retirement (defined by FRS or contract city) or the death of the bargaining unit member will receive, upon separation twenty five (25%) percent of his/her unused accumulated sick leave up to a maximum of two hundred forty (240) hours, computed at the bargaining unit members current rate of pay.

Bargaining unit members leaving in good standing who have at least twenty (20) years of service, upon normal retirement (defined by FRS or contract city) or the bargaining unit member’s death, will receive, upon separation one hundred percent (100%) of his/her unused, accumulated sick time up to a maximum of nine hundred sixty (960) hours, computed at the bargaining unit member’s current rate of pay.

**Twenty-Five (25) Years of Service**

Effective the first full pay period in October 2007, bargaining unit members leaving in good standing who have at least twenty-five (25) years of BSO or combined BSO and contract city sworn service, or the bargaining unit members death, will receive, upon separation one hundred percent (100%) of his/her unused accumulated sick leave up to a maximum of one
thousand eighty (1080) hours, computed at the bargaining unit members current rate of pay.

Effective the first full pay period in October 2008, bargaining unit members leaving in good standing who have at least twenty-five (25) years of BSO or combined BSO and contract city sworn service, or the bargaining unit members death, will receive, upon separation one hundred percent (100%) of his/her unused accumulated sick leave up to a maximum of one thousand one hundred twenty (1120) hours, computed at the bargaining unit members current rate of pay.

Effective the first full pay period in October 2009, bargaining unit members leaving in good standing who have at least twenty-five (25) years of BSO or combined BSO and contract city sworn service, or the bargaining unit members death, will receive, upon separation one hundred percent (100%) of his/her unused accumulated sick leave up to a maximum of one thousand one hundred sixty (1160) hours, computed at the bargaining unit members current rate of pay.

39.2 **PBA Sick Leave Donation**

At the Sheriff’s discretion, bargaining unit members may request sick leave donations to be provided solely by bargaining unit members within the PBA, in addition to the current BSO sick leave pool and/or donated leave program.

a. All requests for sick leave donations must be limited to extenuating or catastrophic circumstances and forwarded to the Sheriff for approval prior to receiving donated sick leave. The requesting member must have applied for the BSO donated leave program and have received denial or the maximum benefit payable prior to requesting additional sick leave donations from the PBA Sick Leave Donation Program.

b. The maximum number of donated sick hours a bargaining unit member may receive and utilize is three hundred and twenty (320) hours per calendar year.

c. The maximum number of hours a bargaining member may donate is four (4) hours per calendar year. The hours donated to a receiving bargaining unit member will only be deducted from the donating employee’s bank on an as needed basis in the order of receipt from the donated member. No hours will be allowed to be pooled for use on a future date or occurrence.

d. Donating members must have a minimum of 500 hours of sick leave accruals to be eligible to donate.
ARTICLE 40

PROBATION

40.1: The probationary period shall be regarded as an integral part of the employment process. It shall be utilized for closely observing the bargaining unit member’s work and for securing the most effective adjustment of the new bargaining unit member to his/her position, and for “separating” bargaining unit members whose performance does not meet the required standards.

40.2: The standard probationary period for all new bargaining unit members will be twelve (12) months of continuous (not counting worker’s compensation time, family and medical leave act time, or time in suspension as a result of discipline) employment from the date that the bargaining unit member obtains certification and is working as a full-time bargaining unit member of BSO. Bargaining unit members will be considered probationary until they have performed the duties of a full-time certified law enforcement deputy for twelve (12) consecutive months. Prior to expiration of this time period, the Sheriff shall either: (1) approve retention of the bargaining unit member, at which time the bargaining unit member shall be granted permanent status; or (2) extend the bargaining unit member’s probation for up to an additional six (6) months; or (3) in the event the Sheriff shall fail to approve retention, the bargaining unit member shall automatically be separated from employment, said separation being absolutely final, with no rights of appeal to any authority including either the grievance/arbitration procedure contained herein, or any disciplinary review process established by the Sheriff’s policy and procedure.

40.3: During a newly hired bargaining unit member’s probationary period, he/she, serves at the will and pleasure of the Sheriff. Accordingly, a newly hired probationary bargaining unit member may not grieve, or otherwise challenge by any other available procedure, any decision involving discipline and/or discharge.

40.4: During the initial probationary period, no bargaining unit member may request a voluntary transfer.

40.5: The Sheriff may evaluate the performance of bargaining unit members during their initial probationary period. Any such evaluation may be discussed with the bargaining unit member, and he/she will be counseled as to any problems that may reasonably cause him or her not to be granted permanent status.

40.6: In the event a bargaining unit member received a promotion from a lower to a higher position, that bargaining unit member shall serve a probationary period of nine (9) months of continuous employment from the date of promotion. Effective immediately upon promotion, the bargaining unit member will receive no less than the basic rate of pay for the promoted classification. Upon the expiration of said nine (9) month
time period, the appropriate official of BSO may recommend retention of the bargaining unit member in the position to which he was promoted. In the event the Sheriff fails to approve retention, the bargaining unit member shall automatically revert to his/her former position, without loss of (previous) rights or benefits unless the bargaining unit member is terminated for disciplinary reasons. Such reversion may not be appealed through the grievance/arbitration procedure.
ARTICLE 41

PROMOTIONAL OPPORTUNITIES

41.1: Promotional examinations for the position of sergeant and/or lieutenant, will be posted at least ninety (90) days in advance of the examination with the posting to include:

   a. The date the written examination is to be given;
   b. The type of examination (written, oral, other);
   c. The weight assigned to each step of the process;
   d. The reading list (i.e., study materials) for the written examination.

Participants will be notified of the location of the examination at least 14 days prior to the actual examination date.

41.2: BSO agrees to maintain a promotional eligibility list for the positions of sergeant and lieutenant for a period of two (2) years. A promotional exam will be given no later than ninety (90) days after the depletion of any eligibility list.

41.3: The candidate evaluation method, ranking and qualification requirements shall be determined by the Director of the Bureau of Human Resources. The Bureau of Human Resources will be available to meet with PBA representatives to gain information, insight and suggestions regarding the selection process.

BSO agrees that the promotional process for sergeant and lieutenant will include more than one stage. Appropriate job-related examination processes which may include (individually or in combination), rating of experience and/or education, written examination, oral examination, assessment center exercises, performance/practical examination or other generally accepted job-related evaluation processes may be used.

The results of the promotional examination process will be a list of bargaining unit members organized by final earned scores. Promotional appointments for each vacant position shall be made from the then top five (5) scores. Every sixth (6th) vacant position shall be filled by the Sheriff without regard for the rule of five (5).
ARTICLE 42

The parties to this Agreement will split the cost of reproducing two thousand (2000) copies of this Agreement and the Sheriff will then be entitled to three hundred copies for distribution as he deems appropriate.
ARTICLE 43

April 13, 2005

Dick Bricken, President
Broward County Police Benevolent Association, Inc.

RE: Letter of Understanding – DROP/Retirement Exception, PBA Deputy/Sergeant and Lieutenants

Dear Sir,

The Broward Sheriff’s Office and Broward County Police Benevolent Association mutually agree the letter of understanding will serve as the interpretation and application as to Article 37.7, Vacations & Holidays within the PBA Deputies/Sergeants collective bargaining agreement and Article 39.7, Vacations & Holidays within the PBA Lieutenants collective bargaining agreement between the parties effective October 1, 2004 through September 30, 2007.

The language as outlined in both collective bargaining agreements as follows:

“DROP/Retirement Exception: Those bargaining unit members who are within one (1) year of retirement participation in DROP may carry over up to one (1) year of accruals of annual leave and exceed the four-hundred and eighty hour (480) (for Line 3 Members – Deputies), cap or the bargaining unit members grandfather cap up to a maximum of five hundred (500) hours of annual and holiday leave. A bargaining unit member must sign an irrevocable request at the time of his/her decision.”

The following items will serve as clarification of the above language:

1. Bargaining unit members may carry over up to one (1) year of accruals and exceed the bargaining unit members cap up to a maximum of five hundred (500) hours within one (1) year of the bargaining unit member retiring DROP or the bargaining unit members grandfather cap.

2. This carry over provision will be applied to eligible bargaining unit members at the end of the applicable calendar year. Should the bargaining unit member not be entering DROP or retiring and separating within one (1) year, the bargaining unit member is subject to the provision in which any hours over the bargaining unit member’s cap are forfeited at the end of each calendar year for the collective bargaining agreement.

3. The bargaining unit member shall receive the benefit of “carrying over” one year of accruals to a maximum of five hundred hours. However, the bargaining unit member will not receive an adjustment to the bargaining unit members cap.

4. At the time a bargaining unit member enters DROP, the bargaining unit member will be eligible to be paid all accrued annual and holiday leave hours up to the bargaining unit member’s cap plus one year of accruals, to a maximum of 500 hours.

At the time a bargaining unit member retires and separates from the agency, the bargaining unit member will be eligible to be paid all accrued annual and holiday leave hours up to the bargaining unit member’s cap plus one year of accruals, to a maximum of 500 hours.

5. Should the bargaining unit members' actual grandfather cap exceed the 500 hour maximum, the bargaining unit members shall only be eligible to be paid at the time of entering DROP or retiring and separating from the agency, a maximum of the employee's actual grandfather cap. For example, the bargaining unit member has a cap of 590 hours. The bargaining unit member is not eligible to receive payment for 680 hours plus up to one year of accrued. The bargaining unit member is only eligible to be paid to their grandfather cap of 680.

6. The bargaining unit member must sign an irrevocable request at the time of his or her decision. This should be satisfied by providing Human Resources with a memorandum at the end of the calendar year in which in the bargaining unit member intends to carry over the eligible hours over the bargaining unit members' grandfather cap for the purpose of entering DROP or retiring and separating from the agency in the following year. Should the bargaining unit member not enter DROP or retire and separate from the agency as indicated on the request, the bargaining unit member shall forfeit those hours carried over in excess of the bargaining unit members' grandfather cap.

This interpretation and application shall be retro-actively effective October 1, 2004 for the term of the existing contract expiring September 30, 2007. Should this letter accurately reflect our understanding and agreement please indicate by signing below.
