Senator Nan Rich

Dear Senator Rich:

I am pleased to inform you that the Broward County Police Benevolent Association has endorsed your candidacy in the race for Broward County Commissioner, District 1.

Law enforcement relies on the support of public officials. The Broward County PBA strives to endorse the very best candidates. We believe that you are one.

During your 12-year tenure in the State of Florida legislature you were always accessible, prepared, and well-versed on legislative issues, not only related to the men and women in law enforcement but to all Floridians. In preparing for your candidacy for the county commission you listened and understood our issues and the importance of the role of a county commissioner as it directly relates to the Sheriff's budget. We believe the experience and knowledge you obtained at the state capitol will serve all Broward County residents.

We thank you for your dedicated years of service in Tallahassee and commend you on your collaborative ability to work "across the aisle" on behalf of those who protect and serve every day, on every shift, throughout this great county.

We will ask our membership, along with their friends and families, to support you in the upcoming election. You may also use the Broward County PBA name in the course of your campaign. We wish you the best of luck in your campaign.

If we can be of any assistance to you, please do not hesitate to contact me at the PBA office: 954-584-7600.

Sincerely,

Jeff Marano
President
