Re: Demand to Bargain – Uniform Standards/Body Cameras

Dear Sheriff Israel:

Please let this letter serve as the Broward County Police Benevolent Association's official demand to meet and collectively bargain over the recently announced implementation of a body camera program with the Broward County Deputies and Sergeants. The PBA was present at the budget workshop meetings held on May 20, 2015 when the body camera issue was addressed.

We demand the opportunity to meet and bargain over the policy and its impact on the terms and conditions of employment of the Deputies, Sergeants and Lieutenants. Please refrain from assigning any PBA Bargaining Unit member a body camera until such time that the PBA has an opportunity to collectively bargain over the issue.

Please contact my office and advise of your availability.

Sincerely,

Jeff Marano
President
